

The Zepter Group is Committed to People’s Health, Beauty and Well-Being through Highest Quality Environmentally Friendly Products

COMPANY PROFILE

Zepter International is a multi-branded multinational company that produces, sells and distributes exclusive, high-quality consumer goods around the world, principally through its own sales network as well as through high-end stores and online.

It is part of the Zepter Group which includes Zepter Finance Holding AG, a financial, banking and insurance company. Since its formation, Zepter International has been proud to uphold the highest standards in quality and has become an essential part of the lives of millions of people throughout the world.

Zepter International is present in more than 60 countries; it owns 8 factories in Switzerland, Germany and Italy, including over 320,000 m² of business space in the world’s top locations. Zepter’s vision, superior quality, innovative products and unique sales system with over 100,000 employees and consultants worldwide contribute to the company’s success. Zepter takes pride in its superbly trained, highly motivated and inspired sales managers and consultants, on a global mission of health and beauty: to “Live Better and Live Longer.”

The Zepter Group’s health mission is to enhance the quality of the lives of millions of people around the world. This global life-protection campaign is unique, comprehensive, and involves an ongoing education and engagement of special managers for the production and distribution of our superior restorative products. The philosophy of Zepter International is that “everything we create is to improve the health and the quality of life, so that every Zepter product that you buy will become an investment in your health and your future lifestyle.”
